

Ready to donate to a great cause this holiday season??

We are writing to you on behalf of an event which benefits the Cleveland area Marines non-profit organization, Toys for Tots. For the past nine years our annual event, *Toys for Shots* has been helping our community's children in need enjoy the holiday season. Participation for this cause has doubled every year since its inception and has become quite a large event.

With 2018 being our **11th Year**, we are looking forward to providing even larger donations. We are reaching out to local businesses and to anyone who would like to help. CLE Cares is the local non-profit that founded and organizes this huge party every year. We are expecting over 500 attendees this year ..that's a lot of toys being donated. CLE Cares and Toys for Shots need your help. Please contact us right away and let us know how you or your business would like to donate.

Your participation this will year will be greatly appreciated and rewarded by having your name and/or organization's name posted at the event and on our event website. Also, you or your business will be able to take full advantage of the donation tax benefits. Please join us this year in making this a wonderful Christmas for the children in our community. Listed below are the event details and contact information. We really look forward to including your donation for this remarkable cause.

Thank you for your time and consideration,

What: Toys for Shots Fundraiser/Holiday Party

Purpose: To raise funds and boxes of toys for the Marine's Toys for Tots Program

Where: Shooters on the Water – Cleveland, OH.

When: Saturday December 15, 2018 / 7:00 PM - 12:00 AM

Respectfully,

CLE Cares, Inc.
